

BRACKLEY TOWN FC
COVID-19 GUIDANCE
FOR PARENTS OF JUNIOR PLAYERS

We have made some adaptations to the way we will be running all of our programmes due to the Coronavirus pandemic. We have made these small changes in order to keep you and our staff safe. Please read the following protocols in order to have a safe environment to return to activity.

Arrival at the training ground

- Players must adhere to the strict arrival times they have been given and park in the assigned car park area.
- Players will arrive in their training / match kit.
- If players arrive early, they must wait in their cars or in the designated area.
- Players should have completed prior to arrival a self-assessment health check - see **Appendix – 1**. The coach will require the players verbal confirmation that this has been completed and that player has none of the symptoms. Do not attend training session or matches if you have any of the symptoms.
- Players should enter via Turnstile 3 where they will be met by their coach.
- Players will be asked to use the hand sanitiser prior to starting training.
- When the group have all been booked in, they will all go to the AGP together. Social distancing must be adhered to.
- Players to bring their own named sanitiser & water bottle.
- Players to take all personal items to pitch side in their own bag.
- Players must ensure their laces are tied before entering the ground.
- Parents or guardians must wait in the car park until their child has passed through the turnstiles.
- Training sessions up to two parents or guardians will be allowed past this point. Face masks **MUST BE WORN**
- Matches two parent/guardian is allowed to watch the match.

Match/Training Sessions

- Players not to touch any training equipment.
- Players will be supplied with a bib which must be cleaned prior to each session. Replacements will be supplied at a charge of £2.50.
- Always cough or sneeze into your sleeve.
- Spitting is banned in any form.
- Only essential treatment will be provided by the coach.
- Parents or guardians must be available to collect child if required to be transported to receive medical treatment.
- Throughout the session if a player shows signs or symptoms of COVID19 the player will be isolated to await collection by parent/guardian.

After Matches/Training Sessions

- Stay with your group until your parents or guardians meet you in the car park.
- Players will be de-registered prior to departing.
- Apply hand sanitiser on leaving the ground.

Social Distancing Avoiding Close Contact

- No handshakes, fist bumps or similar.
- No spitting.
- Always adhere to the 2-metre rule where possible (or Government distancing rule at the time).

Players must use the designated toilet facilities. On a one in one out basis.

Track and trace

From 24th September the club is required to display the official NHS QR poster at all venues.

The NHS COVID-19 app has a feature that allows you to quickly and easily 'check in' to the venue by scanning the code. The information stays on your phone. In England, if you choose to 'check in' using the official NHS QR code to provide your contact details, you will not be asked by the club to provide them. If there is an outbreak associated with a venue, a message will be sent to your app with the necessary public health advice.

This will help to avoid the reintroduction of lockdown measures and support the country to return to, and maintain, a more normal way of life.

You can download this app to your mobile

Updated 23rd Sept 2020

Appendix - 1

COVID SYMPTOM SCREENING QUESTIONNAIRE 2020

As you will be aware, as a result of the Covid-19 Pandemic. You will be required to complete this questionnaire before every training session and match. This is to protect your health and safety, and those of others at the club.
