

**BRACKLEY TOWN FC
COVID-19 GUIDANCE
CAR BOOT SALES – FOR SELLERS**

The following procedure must be adhered to. To help ensure the safety of all who attend the car boot sale, buyers, sellers and BTFC staff.

- Sellers to arrive at 9am prompt, buyers will arrive at 10am – 12midday
- Strictly no buying, selling, or browsing around the other sellers during the set up time.
- Set up time is strictly for you to unpack and display your goods in a safe and calm manner or maybe visit the on-site caterers for a cuppa!
- No selling of any food or drink related products.
- It is **COMPULSORY** to have hand sanitiser available on your stall for both you and your customers to use. We advise both buyers and sellers to **LIMIT** contact when purchasing items and to buy using correct money where possible.
- Upon arrival you must produce a copy of your booking confirmation.
- Capacity for sellers 30 cars
- In the instance of the event you have booked for being cancelled due to inclement weather your pitch will roll over to the next available car boot.

Social Distancing Avoiding Close Contact

- No handshakes, fist bumps or similar.
- Always adhere to the 2-metre rule where possible (or Government distancing rule at the time).

Track and trace

From 24th September the club is required to display the official NHS QR poster at all venues.

The NHS COVID-19 app has a feature that allows you to quickly and easily 'check in' to the venue by scanning the code. The information stays on your phone. In England, if you choose to 'check in' using the official NHS QR code to provide your

contact details, you will not be asked by the club to provide them. If there is an outbreak associated with a venue, a message will be sent to your app with the necessary public health advice.

This will help to avoid the reintroduction of lockdown measures and support the country to return to, and maintain, a more normal way of life.

You can download this app to your mobile

- You will need to supply a list of all those helping you on the day. With name and contact details if above app not used

Thank you for helping to keep our facility safe
