

SSE WILDCATS CENTRES

Parent/Carer Consent Form & Young Persons Commitment

An SSE Wildcats Centre aims to be a safe environment where girls can have fun, develop new skills and create foundations for a lifelong love of sport.

Every week, girls aged 5 – 11 will be given the opportunity to get involved in football through fun sessions that encourage friendships, character-building and fitness/healthy lifestyle.

There are hundreds of SSE Wildcats Centres across the country, all helping us achieve the goal of doubling women and girls' football participation by 2020.

The SSE Wildcats Centre will take place:

At: Brackley Town Football Club, St James Park, Churchill Way, Brackley NN13 7EJ
When: Weekly commencing on Saturday 14th April, 9.30 – 10.30am
Contact: Mark Andrews – 07518 384786 / markandrews@brackleytownfc.co.uk

Please ensure you collect the young person from:

Brackley Town FC at 10.30am from Brackley Town AGP

If you are unexpectedly delayed, please contact us and we will ensure the young person remains supervised by someone who has had the appropriate DBS checks, until their collection. Please also see the commitment statement at the bottom of this document and talk this through with your young person or ask them to read this and discuss it with you.

If you wish your young person to take part in the SSE Wildcats Centre please read the following guidance notes before completing the information in the tables at the end of the document.

We live in an age in which digital technology has vastly increased the use of photography, and there has been publicity surrounding concern about the risk of a young person being identified by a photograph in the local press or via social media. The FA takes the view that providing reasonable steps are in place in terms of appropriateness of the photography and protecting the full name and contact details of the young person, photography is permitted.

The FA is mindful of the fact for some families there may be specific reasons why a young person's identification is a matter of particular concern. If you have specific circumstances, either now or at any time in the future, that would affect or change your consent on this issue, it is your responsibility to advise us of any changes, please contact Mark Andrews

The FA will not use the personal details or full names (which means first name and last name) of any young person in a photographic image on film, website, or in FA printed publications. If The FA uses

photographs of individuals, the name of that young person will not appear in the accompanying text or photo caption, unless we have your express agreement to do so.

Images must only be taken where children are appropriately dressed, this means in football kit or other relevant clothing for the activity.

By providing consent within this form you will be giving permission to The FA to use photographs and film of your young person, involved in The SSE Wildcats Centre. Please note these images may be used in any of the following ways;

- Printed FA publications
- The FA.com, an FA Facebook page, FA Twitter feed etc (as appropriate)
- FA video, CD rom or DVD for training or promotional purposes
- Within the local or national media

It's critical that you and your young person agree about consenting or not to images being taken and used by The FA. We cannot accept conflicting responses, so please ensure this has been discussed and an agreement reached – thank you.

Please remember to inform the centre if for some reason you wish to withdraw your consent for images of your young person to potentially be used in these ways by The FA.
